10-Month Herbal Studies Program

February - November 2010
Meets 3rd weekend of the month
10:00 am - 4:00 pm
Plus 3 weekend camping trips

Immerse yourself in the world of healing plants with this 130 hour program designed for the serious herb student. Classes will focus on herbal therapeutics, materia medica, medicine making, plant identification, seaweeds, wild foods, herbal first aid, flower essences, herb gardening and the magic and spirit of plants.

Field trips will give us the opportunity to wildcraft herbs and seaweeds, visit local herb farms and manufacturing businesses, and explore and identify herbs growing in different ecosystems. Rosemary Gladstar's *Science and Art of Herbalism* will be included as text for this course.

Pre-requisite: Beginning with Herbs or equivalent herbal experience.

Tuition: \$1740 includes all instruction, Rosemary Gladstar's home study course (\$375 value), membership to United Plant Savers and samples of products made.

Beginning with Herbs
