

Dear

Welcome to the Year 2010 Ten Month Herbal Studies Program. Our first class weekend is February 20th and 21st. Class will be held at the Dandelion Herbal Center, 4803 Greenwood Hts. Dr., Kneeland, from 10 a.m. to 4 p.m., Saturday and Sunday. Please arrive at 9:45 so we will all be ready to begin at 10:00.

For our first weekend please bring: clothing for all types of weather, especially waterproof shoes or boots; notebook and pen; camera(optional); Peterson's Field Guide to Pacific States Wildflowers or the Jepson Manual; magnifying lens; a plant to introduce yourself with; enthusiasm and wonder.

Unless your class decides otherwise, we will divide into lunch groups at our first meeting, so only 3 or 4 of you will need to bring lunch each time. What marvelous potlucks we will have! For our first weekend I'll be asking for volunteers. If you would like to volunteer to bring lunch items for the first weekend, please call Juliet at 834-7118. Juliet is our class assistant. She will be organizing the lunches as well as sharing her wealth of herbal info with you!

Thank you for your deposit of _____. The remaining balance of the full tuition, _____, is due Dec. 30. Unless you have spoken with me otherwise, please adhere to this payment schedule. If you would like to make payment via credit card, we are setup to receive credit cards on our website www.dandelionherb.com.

Class will be held at the Dandelion Herbal Center. Carpooling is essential. Please call _____ or _____ to see what you can arrange. Three Corners Market is a convenient meeting place. Parking is tricky and a good reason to carpool, besides great conversations with your classmates. Someone will be out front helping you to park. The classroom is above the garage. The door is at the back side of the building. Most all of you have been here before or are traveling with someone who has. If you need directions please let us know.

You will receive The Science and Art of Herbalism home study course at our first class. We look forward to sharing plant medicine with you and being part of an incredible group of people.

Herbally Yours,

Jane Bothwell
